

Featured Social Media Posts at EFA

Expand your reach during EFA with extra promotion of your booth through our social media posts!

We will send our official show photographer to your booth to capture multiple photos of your booth, team, product, and customer interactions. During the event, the official EFA social media account will share these images alongside a descriptive post about your company.

Post availability is limited. Sign up today.

Your Social Media Post Service Includes:

- Up to 3 professionally photographed images of your booth, team, and product.*
- One post on each official EFA social media network including Facebook, Twitter, LinkedIn, and Instagram.
- Each post will include company/product description with booth number and contact information.
- Links to your company website and respective social media accounts.
- Post integration with the official EFA attendee app.
- Instructions on how to share your posts for optimal exposure!

*EFA reserves the right to make final selection on all photographs and copy.
